NOTES FROM CEAL STATISTICS TASK FORCE, 1996-99

The current CEAL Statistics Task Force ends its three year term following the publication of the 1997-98 CEAL annual survey. The Task Force would like to express its sincere gratitude to all CEAL members who have cooperated with the Task Force by supplying institutional statistics during this period. We also wish to inform all CEAL institutions that the NEW SURVEY FORM will replace the old form beginning with the 1998-99 survey.

With the permission of the Association of Research Libraries, the new CEAL survey form adopts the ARL survey format, which is widely used for mainstream library surveys in the U.S., but takes into account the special needs of CEAL institutions. The new form was approved for use in the fall of 1998. Before its official use this fall, the Task Force would like to encourage all CEAL institutions to become acquainted with the new format, and to prepare for the collection of new statistics that were not included on the old form but which will appear as new survey items.

Again, the CEAL Statistics Task Force appreciates your cooperation regarding annual statistics and your participation in the formation of the new survey form. We wish you a fruitful academic year!

Sincerely,

CEAL Statistics Task Force, 1996-99
